TELEGRAPHIC JOTS.

..... Jules Goupil, the Parisian painter, is dead.

..... The trial of "Skin the Goat" began in Dublin this morning.

..... General Diaz and party started yesterday from New Orleans for Vera Cruz.

..... In New York yesterday about a hundred liquor dealers were arrested for violating the Excise law.

..... The Czar and Grand Duke Constantine, uncle of his Majesty, have become completely reconciled through the mediation of the Princess Dolgorouky.

..... It is now considered improbable that the attack of the North German Gazette upon the American Minister involves his resignation. Sargent has had little direct intercourse with Bismarck since his arrival.

..... A construction train on the Texas & Pacific ran into a steer to-day, near Fort Worth, Texas, throwing two cars from the track, and killing the engineer, brakeman and a workman.

..... The Malagassy envoys in Berlin have asked the protection of Germany against the French.

..... Advice from Vera Cruz say the yellow fever has broken out. Several cases of black vomit are reported.

..... At Pottsville, Pa., last Saturday night, during the hurdle race in Forepaugh's circus, Mrs. Cook's horse fell, and she is thought to be fatally injured.

..... Mrs. Adeline Dubois Russell died on April 24th, aged 72, at the residence of her son-in-law, Major General Winfield Hancock, at Governor's Island.

..... A St. Louis dispatch from Prof. A. F. Bandler to his family at Highland, Ill., says he is safe and well at Fort Apache, Arizona, and that the report of his capture by Indians is untrue.

..... The Inman Steamship Company, discouraged by their great losses during the last four months, want to sell such of their steamers as remain afloat. Both the Guion and the Anchor lines are said to be negotiating for them.

..... Within three hours after the resignation of General Raum, as Commissioner of Internal Revenue, was accepted, six applications were received by the President from ex-members of Congress for the position.

..... In a religious riot at Port Said between Greeks and Arabs several persons were killed and many wounded, including a number of police. British troops and sailors, with galling guns, surrounded the Greek church to protect it. The Greek Consul took refuge on a gunboat.

..... The damage by the cyclone at Beauregard is now estimated at \$450,000. A singular fact in connection with the cyclone may even now be mentioned. There were about forty persons of Jewish extraction in Beauregard at the time of the cyclone. All of them were picked out of the debris and not one was seriously injured.

..... On the night of April 28th, as the north-bound Nashville and Chattanooga train was nearing Anderson, 45 miles below this city, and running at the rate of 35 miles an hour, James Hawkins, a passenger, suddenly arose and shot Bob Reeves through the heart. Hawkins then jumped from the train, and it is thought his neck was broken. Both were from Dechert, Tennessee.

..... In the suit of Cornelius Brinkerhoff against his former wife, Sarah E. Perry, for the recovery of his property, valued at \$115,000, which he has conveyed to her while drunk, and under the impression that he was executing a trust deed, and in which the jury found a verdict in his favor, the Supreme Court has granted an order requiring the defendant to show cause why a receiver should not be appointed, and has granted an injunction restraining her from interfering with or disposing of the property pending final action.

A Common-sense Remedy.

SALICYLICA

No More Rheumatism, Gout or Neuralgia.

Immediate Relief Warranted.

Permanent Cure Guaranteed.

Five years established and never known to fail in a single case, acute or chronic. Refer to all prominent physicians and druggists for the standing of Salicylica.

SECRET:

THE ONLY DISSOLVER OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEUMATIC AND GOUTY PATIENTS.

Salicylica is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects.

It has been conceded by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments, and soothing lotions will not eradicate these diseases, which are the result of the poisoning of the blood with Uric Acid.

Salicylica works with marvellous effect on this acid, and so removes the disorder. It is now exclusively used by all celebrated physicians of America and Europe. Highest Medical Academy of Paris reports 95 per cent cures in three days.

REMEMBER

That Salicylica is a certain cure for Rheumatism, Gout and Neuralgia. The most intense pains are subdued almost instantly.

Give it a trial. Relief guaranteed or money refunded.

Thousands of testimonials sent on application.

\$1 a Box - Six Boxes for \$5.

Sent free by mail on receipt of the money.

ASK YOUR DRUGGIST FOR IT.

But do not be deluded into taking imitations or substitutes, or something recommended as "just as good." Insist on the genuine with the name of WASHBURN & CO. on each box, which is guaranteed chemically pure under our signature, an indispensable requisite to insure success in the treatment. Take no other, or send to us.
